PRODUCT INFORMATION

All products contain the probiotic *equizyme*[™].

Medallion[™] Gut Plus ingredients have been formulated to work throughout the entire equine digestive system for ulcer prevention, decreased ulcer systems and to promote healing.

The Probiotics re-inoculate with beneficial bacteria, live yeast cultures contain enzymes that increase digestibility of fiber. Pancrelipase aids in the digestion of proteins, fats and carbohydrates. Bromelane enhances wound healing, aids in ulcer prevention and is an antioxidant. The Rice Bran Extractives aid in tissue repair in the intestinal lining. Licorice reduces the symptoms of ulcers and and is a source of pre amino acids used to build proteins for repairing the intestinal lining.

Medallion[™] Gut Plus may prove to be one of the best specialty products selections you ever made!
