PRODUCT INTRODUCTION

All products contain the probiotic *equizyme*[™].

Medallion[™] K-9 Joint Xtreme For Dogs and Cats has been specifically formulated for older dogs, cats and performance dogs. This unique combination of high quality ingredients supports the joints, and the soft tissues surrounding the joints and provides high levels of antioxidants and anti-inflammatory elements to help meet the demands of training and competition. It has also proven very effective for increasing the mobility of older animals with chronic joint and health issues. Our patented *equizyme*[™] probiotic formula adds the benefits of friendly microorganisms and live enzymes to ensure that your dog or cat actually absorbs the supplement on a cellular level.
